

Palm Sunday 2021

How to Host Your Own Palm Sunday Hub!

Where Do I Start?

Decide on a group of people you would like to invite, any number big or small will do! If you're a regular at the Palm Sunday march, who do you usually meet up with? The people you invite may be work colleagues, family, neighbours, activist group, church or sporting club members

Where and When Do We Meet?

Your choice of location will depend on how you will be streaming the live event. If you have enough space, in your home might be the best location. Other places could include a church hall, community centre or club. A start time of 12:30pm will allow time for everyone to arrive before the live stream starts at 1:00pm.

What Will We Talk About?

Talk to your guests about the <https://gameover.org.au/> and <https://www.timeforahome.com.au/> campaigns.

Go to the campaign sites to find fabulous resources and explainer sheets. Share the 'People Seeking Asylum and Australia' fact sheet with your guests. <https://drive.google.com/file/d/1Vaz20IN-5YRqNzEogdpLd0m8plTcY00q/view>

What Will We Watch?

Stream the Palm Sunday Justice & a Fair Go for Refugees event live from UCIC Hall, Perth.

Register your hub group with social.justice@wa.uca.org.au to receive an invitation to join the live webinar & follow the facebook event - <https://fb.me/e/3n1JSV1Ad>
