

JUSTICE FOR REFUGEES WA PALM SUNDAY 2022 ACTION

#ADecadeGone

1. Find a photo of yourself from 10 years ago.
2. Post the photo to your Facebook or Instagram on Sunday 10 April 2022 with the following suggested wording:

"This is me 10 years ago.

Since then I have... (eg. Seen the birth of my grandkids, graduated from uni, bought a house, got a job, etc)

For many refugees, Australia has not been the land of such opportunity. This year will begin to mark 10 years that people, who fled to Australia for safety, have been in detention or on temporary visas.

People remain offshore in Nauru or PNG, or in detention centres in Australia, or on temporary visas meaning they can't get permanent work, obtain loans, or reunite with their families.

Isn't it time to stop the cruelty?"
